**SET OF 6 RABBIT MEDIUM PLATES**

**\$315**

## DESCRIPTION

These elegant ceramic plates are part of a series of playful pieces created to enliven a contemporary home with their unique designs, particularly if displayed in a mismatched combination on a simply decorated table. In this case, the white background of the piece is adorned with the image of a rabbit, depicted facing forward and with a bindi, the Hindu face jewel that symbolizes the third eye, rendered here with yellow rays emanating from the piece and adding both a dynamic effect and a touch of color to the plates
