SET OF 6 ROCK PIG MEDIUM PLATES

\$315

## DESCRIPTION

Combining old-fashions style and modern cultural references, these plates will stand out on any occasion and can be combined with the others designed by Aonie to add a playful touch to a contemporary table. In this case, the white ceramic background of the plates is decorated with the image of a pink pig wearing a necklace and covered in a series of tattoos. The animal bends toward an 80s boombox and appears to be enjoying the music. A broken tape lies between them.
