SET OF 6 STEREOTYPISM ER DINNER PLATES

\$290

DESCRIPTION

This plate set is handcrafted in white ceramic and has a slim ultra flat design. It is glazed with majolica with the decal in black and ocher, applied by fire. The plate is one in the "Stereotypism" set of 6, designed by Lucio Bolognesi. Each plate depicts this typical all Italian gesture, from 6 different perspectives, accompanied by the letters that make up the word "Stereotypism" in sequence. This set will add dynamism and freshness to the table.
