SET OF 6 TORSÈ ANGORA STEM GLASSES

\$250

DESCRIPTION

Part of the Torsè Collection of striking glass pieces with a distinctive twisted texture, this set comprises six stem glasses whose elegant and timeless allure will enliven both a classic and a contemporary table. Each piece is made entirely by hand of glass and boasts a delicate amber color, intense on the round base and short stem, and gradually fading on the minimalist cup. A stunning addition to any occasion, this set can be combined with other items in the same collection for a cohesive and unique look.
