SET OF 6 WATER GLASSES WITH MARINE THEME

\$220

DESCRIPTION

Inspired by the variety and stunning designs of marine life, this set of six water glasses will be a perfect addition to a summer home, or an eclectically decorated interior. The smooth surface of each 350 cl glass, is adorned with a different etched motif, magnificently rendered in texture and shape. Different shells alternate with a starfish and a sea urchin for a stunning depiction of sea life.
