### SET OF FORK AND SPOON FOR SALAD

\$130

#### DESCRIPTION

This set was made by Saladini as part of the dining room and kitchen collections, in which everyday objects are crafted using fine materials and two-centuries of experience in the field of steel tools. The fork and spoon making this set are in 18/10 steel and their handles are in olive wood, which adds a Tuscan accent and a warm touch of color to the pieces. Either alone, or paired with others from the same designer, this set will be a precious addition to any home.
