\$290

DESCRIPTION

Inspired by the zodiac signs and introduced at the Salone del Mobile 2017 in Milan, this set comprises four dessert plates whose exquisite craftsmanship and vivid colors will be a precious addition to a table for an intimate afternoon tea or to serve dessert after an elegant dinner. Each piece features a round center in pale blue crossed with golden lines connecting the twelve months of the year, whose names in Latin appear on the lip. The edge is highlighted with a golden line. This sophisticated set can also be a striking gift.
