**OLIVE CENTERPIECE**

\$8,185

## DESCRIPTION

This superb centerpiece can double as bowls to display small objects or a flower arrangement. They are made entirely in solid silver and both feature side handles and an extractable internal bowl that has a striking golden finish on its smooth surface. The exterior of the piece is magnificently adorned in bas-relief and depicts olive branches on the surface. This object adds a classic and elegant touch that will embellish any decor.
