SET OF SIX ARLECCHINO FLUTES

\$430

## DESCRIPTION

Part of the Arlecchino collection, this set of six champagne flutes will enrich any celebratory event, thanks to its exquisite craftsmanship and the delicate three-color combination of each piece. The round base is in vivid green, while the ball at the stem is in red, and a delicate shade of pale blue graces the elongated cup. Details in pure gold add a luxurious touch to these pieces that can be served alone, or paired with others in the same collection.
