SET OF SIX ARLECCHINO SMALL CHALICES

\$430

## DESCRIPTION

This set of six large chalices is part of the Arlecchino collection, that honors with vivid hues and exquisite craftsmanship the colorful masks of the Venetian carnival. In this case the pieces feature sinuous shapes and delicate curves, accented by a three-color combination that has a cup in deep red, a soft green ball on the stem, and a base in pale blue. Each element is highlighted with a hand-applied detail in pure gold.
