Griffe Montenapoleone by Vetrerie di Empoli

SET OF SIX ARLECCHINO LARGE CHALICES

\$430

DESCRIPTION

This exquisite set is made of six hand-painted small chalices that feature three delicate hues: red at the base, pale blue for the ball that adorns the stem, and delicate green for the cup that opens up into a large mouth with a delicate curve. The rim at the base and top, along with two elements in the stem are highlighted with details in pure gold. This set will add a touch of colorful charm to any table and are suitable to serve water, wine, or other beverages.
