SET OF SIX ASSORTED GOBLETS

\$1,115

---

### DESCRIPTION

This superb set of six goblets was made entirely in glass that was hand decorated using different hues to create a colorful effect and they will accompany a dinner with lively charm. Each piece was carved from glass and its texture is adorned with deep, abstract grooves that show the contemporary sensibility of these creations. The rims of base and top are enriched with pure gold that was hand applied to add a touch of luxury to the set.
