**SET OF SIX CONVIVIO NUOVO KNIVES WITH CORNOTECH HANDLE IN WOOD BOX**

**\$380**

## DESCRIPTION

This excellent set of six knives was made by hand and is ideal for everyday use at the dining table to accompany any meal, including steaks. The stainless steel blades of these pieces are smooth and thin and slightly curved, continuing the movement of the handle, made in cornotech, which is durable lucite designed to look like ox horn. The handle is secured with three small nails and the set comes in a wooden box, making ideal also as a gift.
