### SET OF SIX RUSTICO STEAK KNIVES

\$560

#### DESCRIPTION

This exquisite set of six steak knives is a celebration of Tuscan country life, with its houses on the hills and their large wooden tables serving the iconic Fiorentina steak. The steel blade here is smooth and pointy and represents a combination of fine craftsmanship and unique design. It is mounted on a horn handle that is larger than the usual table knives. The horn was not polished to give it a rustic accent.
