### SET OF SIX TALL ASSORTED CHALICES

\$1,090

#### DESCRIPTION

This set of assorted chalices can be used in combination with other sets in the same series to add a cohesive effect to the table. Each of the six pieces features a different shape that was carved in the glass and then painted by hand in six different hues. To complement the delicate shades of these pieces, a touch of pure gold was added by hand at the top and bottom rims. Ideal for water, wine, or soft drinks.
