SET OF TAGLIATA FORK AND KNIFE

\$130

DESCRIPTION

This set of fork and knife is created specifically for an Italian dish of cut steak and greens called "Tagliata". The olive wood handle of both pieces boasts striking natural veins and makes each object a one-of-a-kind piece on which the excellent steel is mounted. The fork and the "rustic" knife are perfect to cut and serve the ingredients of "Tagliata", a dish that is ideal for social gatherings and evenings with friends.
