SET OF THREE BOTTLE COASTERS

\$1,190

DESCRIPTION

This set entirely made in solid silver consists of three bottle coasters that will enrich a dinner or gathering with their sophisticated allure. Two of these pieces have a wooden bottom and measure 10 cm in diameter (one of which has a completely smooth surface, while the other is adorned in a chiseled decoration depicting fruit). The third one is larger (12.5 cm of diameter) and features an external ring with the same fruit motif but a silver smooth bottom.
