SET OF THREE CUBE TRAYS IN COPPER BY ELISA GIOVANNONI

\$790

DESCRIPTION

This exquisite set of three trays will make a statement in any decor, particularly a contemporary one. The three diamond-shaped pieces that make up the set can be displayed and used separately or can be combined together to create the striking silhouette of a larger diamond. Entirely made in copper, these pieces can be also made in brass and in stainless steel and can be combined with the other set of trays by the same designer.
