## SET OF 3 STONE COFFEE TABLES

\$9,640

### DESCRIPTION

Inspired by mid-century design, a triangular base, asymmetrical silhouette, and distinctive round corners of this coffee table set make it a striking addition to a modern interior. The three slanted legs are in American walnut and support a magnificent slab of Ombra di Caravaggio marble. This object of functional decor is exquisite and unique, thanks to the one-of-a-kind veins of its precious stone top. The large one has an American walnut base and Ombra di Caravaggio marble top (140 x 120 x H35), the medium is entirely in American walnut (85 x 80 x H 42cm), and the small one has the base in American walnut and top in Cappuccino Onyx (55 x 55 x H50 cm). The tables are also available separately.
