SET OF FOUR BLACK AND WHITE MARBLE PLATES FOR 2

\$1,375

DESCRIPTION

This elegant set features a hand-applied marbled decoration in a sophisticated color combination of black and white. These handmade enamel plates were crafted and decorated by hand using the ancient Ottoman marbling technique, which reproduces the exquisite look of natural marble. This set includes two large deep plates and two medium sized deep plates. Both of these functional pieces are ornate enough to be used as striking display pieces.
