## SET OF TWO PANSÈ CHAIRS IN SEAWATER

\$5,795

### DESCRIPTION

The voluptuous lines of both backrest and seat of this masterfully crafted chair give a bold look while offering a welcoming seating. Inspired by the shape of the pansy, this expressive design has a plywood structure with four slender oak wood dowel legs in natural finish and open-cell expanded polyurethane padding for added comfort. The upholstered seat and backrest are in Senib Col. Sea Water (CAT. A) fabric but can also be customized with various fabrics, faux-leathers, and leathers. Legs are also available in complementing beech or walnut woods.
