SET OF TWO SOPHIA WOOD AND FABRIC CHAIRS

\$3,835

DESCRIPTION

This elegant set of chairs is a re-interpretation of a classical design, with the oval backrest and the striking Antique Gold fabric that upholsters the back and seat cushions. The warm glow of the fabric and its luxurious texture complements the simple wooden structure and its matte black finish. The exquisite sophistication of these chairs makes them suitable for any decor, either used by a dining table or as accent pieces. Contract and commercial certifications available upon request.
