SETTER WALKING STICK

\$515

DESCRIPTION

Showcasing the brand's signature conical shaft in black-lacquered beechwood with a glossy finish, this exquisite cane enchants with its sterling silver handgrip resembling the head of a setter. Unadvisable for support, this piece is perfect to stand out in an exclusive walking sticks' collection. An hand-applied tip in bovine horn completes this refined piece, which is shipped in a gift box and it is available in brown lacquer on request.
