SEZIONE ORIGINI VASE

\$125

DESCRIPTION

Part of the "Sezione Origini" Collection (origins section) portraying subjects belonging to the animal world, this refined cylindrical vase features two dainty curved handles and it is crafted of lathed red terracotta. Engobed and expertly hand-painted, this exclusive ceramic object undergoes the first firing at a maximum 1000° and subsequently, it gets glazed and fired at a temperature not exceeding 930°.
