

LIGHTING : TABLE LAMPS

*Siru Illuminazione*

**SFERA TABLE LAMP**

\$1,375

## DESCRIPTION

Simple in its shape as it is appealing in its uniqueness, this table lamp perfectly embodies industrial style reinterpreted in a sophisticated modern key with the addition of a spherical diffuser in mouth-blown Murano glass. The glass body is tied in the embrace of its stainless steel frame, which cages it without concealing it, allowing the light flow to freely radiate for an exceptional level of illumination.
