## SFORZINDA CHANDELIER 6 LIGHTS

\$8,140

### DESCRIPTION

Six hand-blown Murano glass boules, shaped with the "pliers" technique, are the stand-out feature of this unique cascading chandelier. The circular structure is made of bronzed and antiqued brass with metal hardware coated in brushed brass. This remarkable piece designed by Giovanni Luca Ferreri is a tribute to the visionary, iconography plan of the utopian city by Florentine Renaissance architect Filarete.
