SFUMATI LARGE WHITE AND TURQUOISE VASE BY PAOLA NAVONE

\$725

DESCRIPTION

This vase's mixture of opaque and transparent stripes, along with its organic, wavy shape, creates a style with a far greater visual complexity than is first conveyed by its simple, harmonious, minimalism. This item from Paola Navone's One-More collection is rendered even more unique by the inclusion of air bubbles and other imperfections into the final design. Each piece is handmade so colors may differ slightly from the image shown.
