SFUMATI TOPAZ VASE

\$690

DESCRIPTION

Part of the Sfumati collection of Murano glass vases, this piece was superbly crafted by master glassmakers decorated with abstract engravings carried out on a lathe. The wavy lines along the uniquely shaped body enhance the gradient hues of the topaz glass that softly fade from the undulated mouth to the slightly flared base. Timeless and elegant, this vase can be given as a gift to a loved one or included in a personal collection.
