SHADE MAUVE 3-PANEL SCREEN

\$8,000

## DESCRIPTION

Embodying the perfect harmony between functionality and an innovative, elegant design, this piece is a modular screen that will help define private areas. Sustained by a metal frame with a brushed-brass finish, the three panels (also available in three different measures) feature a wooden structure covered in three shades of mauve fabric and are internally lined with sound-insulating material. This piece is customizable in a wide variety of colors, fabrics and sizes, please contact the Concierge for options.
