SHARON 8-LIGHT CHANDELIER

\$2,345

DESCRIPTION

Reminiscent of a royal crown, this chandelier features a circular structure supporting eight candle holders individually resting on shell-shaped elements. Hanging from a metal ceiling rose, this piece is entirely made of brass and metal and is marked by a polished gold finish creating an interplay of lights and reflections on the structure itself. It is also available in other finishes, please contact the Concierge for options.
