SHARP MULTI-COLORED 4-DOOR WALL SIDEBOARD

\$3,820

DESCRIPTION

Striking and eclectic, this wall cabinet is a superb way to add storage space and a unique decorative accent to a modern home. The structure is made up of MDF panels connected with 45° angled edges. The space inside is divided by four glass panels, while the exterior is entirely covered by a hand-applied material surface boasting a multi-colored geometric decorative pattern finished with a non-toxic matte resin. The back and interior panels have a matte lacquer finish. This piece comes with hardware to attach it to the wall and weights 97 kg.
