## SHAVING SET IN HORN AND EBONY WOOD

\$590

### DESCRIPTION

This exquisite shaving set is entirely handmade and features a razor and a shaving brush attached to the imbuia and ebony wood support through a set of magnetic attachments. The Flexball razor with Gillet Fusion connection has a handle in horn and ebony wood. The same precious handle is also featured in the handle of the shaving brush in pure silver tip badger fur with a diameter of 24mm.
