SHERLOCK HOLMES CORKSCREW

\$105

DESCRIPTION

This playful corkscrew is a piece of exquisite craftsmanship that will be an eye-catching accent on any table. The body is in beechwood with a rich shade of brown that perfectly complements the golden finish of the brass parts. The handle is made of acetate, which is a very durable material, here made to resemble wood. It is crafted in the shape of Sherlock Holme's profile with the iconic pipe and hat. The textures are magnificently rendered for a superb final effect.
