Glas Italia

SHIMMER SMALL LOW TABLE BY PATRICIA URQUIOLA

\$2,465

DESCRIPTION

Patricia Urquiola conceived this stylish table to exalt the versatility of glass. The iridescent finish boasts ever-changing hues that shift depending on the light source, angle, and position of the viewer. The slanted panels forming the tripod base sustain the circular top, creating a harmonious look with a touch of glamour. Slight irregularities from pictured item are to be expected due to the material used. Please ask the Concierge for the variant in acid-etched glass.
