### SIDEBOARD IN GLASS AND BRASS

\$7,430

#### DESCRIPTION

Inspired by the French art deco style, this sideboard features a body entirely covered in glass with a striking black coloration. The front is divided in two side doors and three central drawers. The black of the piece is elegantly paired with the brass with a brushed finish that make the handles and mark the edges, entirely made by hand by a master artisan. Between the body and the brass legs, transparent Murano glass spheres create a unique effect of lightness and modernity.
