## SIDEBOARD WHITE ALFAMA 2

\$6,150

### DESCRIPTION

This elegant sideboard is a superb addition to a modern or contemporary home. Either displayed in a living room or dining room furnished with neutral shades or with a black and white color combination, this piece will add sophistication and a precious storage space. Its rectangular silhouette boasts front and side panels strikingly textured to add dynamism, and is finished with a matte white color. The space inside is accessible through three side doors and features three crystal shelves for storage. The sideboard's interior can be customized with additional drawers and shelves. Please ask Concierge for details.
