SIENA CHAIR

\$1,050

DESCRIPTION

This exquisite armchair is a testament to high-quality craftsmanship: the angled silhouette combined with the splayed, swooping arms are subtle design features that enhance its timeless allure. Featuring a stunning acid green color for both frame and upholstery, the exposed wood exterior contrasts in texture with the soft, upholstered interior. Perfect on its own in a study or in a set for a living room, this classic chair is sure to impress. Customization without armrests and as a stool upon request.
