SILK IKAT VELVET CUSHION N. 100

\$120

DESCRIPTION

This magnificent cushion is entirely crafted by hand in Turkey and its vibrant color combination and sinuous, abstract motifs are a contemporary interpretation of traditional Ikat patterns. The silk and velvet of the front cover is dazzling, adding an eye-catching accent to an eclectic living room or bedroom, either alone or mixed with other pieces in the same series. The back cover is in cotton, the internal padding in polyester.
