SILK IKAT VELVET CUSHION N. 536

\$120

DESCRIPTION

The playful and dynamic motif that graces the front cover of this cushion is made using velvet and silk that add a warm, shimmering, and soft effect. Infused with a modern sense of movement, the pattern creates an arrow-shaped silhouette made of turquoise, purple, yellow, and black on the ivory-colored background. This exquisite object is handcrafted by local Turkish artisans and features a filling in polyester and a back cover in cotton.
