**SILVER BIRD ON A STAND BY ALDO LONDI #1**

\$320

## DESCRIPTION

Reduced to the bird's basic shape, this ceramic sculpture fascinates for its timeless elegance and evocative power. Created by Aldo Londi's hands, the silver-colored finish gives it a highly decorative effect that will enliven any modern and contemporary interior, especially when paired with the ones in white. The small bird is depicted looking down and stands on a metal rod inserted in a clear square base.
