SILVER DE-LUX LAMP BY GIO PONTI

\$1,515

## DESCRIPTION

This lamp was originally designed, but never executed, by Gio Ponti in 1955 and because of its timeless allure it can still be placed in a contemporary decor today. This lamp features a structure in brass and aluminum bearing a striking silver finish. Three legs form a tripod supporting the body of the lamp, graduating towards its top where the light is placed in an skyward facing position. The white shade is in plastic. This piece will be ideal in any decor.
