San Lorenzo

SILVER GLASS BY AFRA AND TOBIA SCARPA

\$950

DESCRIPTION

An elegant and timeless addition to any dining table, this silver glass was designed in 1997 by Afra and Tobia Scarpa and crafted of pure 999/1000 silver. Thanks to this noble material, that in contact with liquids initiates a purification process, this piece is an ideal addition to a healthy lifestyle and can become a superb and versatile gift. It is ideal for water, wine, and even whiskey and is available in different shapes - please ask the Concierge for details.
