SILVER HOOKED EARRINGS

\$260

DESCRIPTION

Bold and refined, these handmade hooked earrings by Giulia Barela feature a two-part design, which utilizes the slender shape of a snake to create a continuous silhouette that elongates the ear. Fashioned of 925 sterling silver, the two halves of the snake silhouette are connected by a rounded joint that separates when the earrings need to be put on or taken off. Given as a gift or included in a personal collection, the chic and modern style of this pair of earrings will look timeless dressed up or down.
