## SILVER MUG WITH DEER ANTLER HANDLE

\$1,190

### DESCRIPTION

This vintage-inspired mug is an excellent way to serve a refreshing drink, improving the taste of any beverage while keeping it perfectly chilled. From the Animals Collection, the elegant design of 925 sterling silver is enriched by a prized handle of genuine deer's antler that has been polished by hand with a white finish. Please note that no animal is harmed to craft these unique pieces and the antlers used are from the natural shedding process.
