SILVER PLUMAGE VASE WITH 24K GOLD

\$320

DESCRIPTION

This exquisite ceramic vase was designed by Cristina Celestino and its unique decoration in the shape of rows of parallel feathers is hand-painted by BottegaNove artisans with multicolored enamels with deep, warm colors and a glossy finish. The matte white of the interior and the precious 24k gold that finishes the plinth base elegantly complement this timeless piece that brings a touch of luxurious sophistication to any decor.
