## SILVER VIDE POCHE WITH BLACK HORSE

\$150

### DESCRIPTION

One of a series of rectangular vide poche decorated by hand with equestrian-inspired designs, this tray is made of fine porcelain and finished with silver-gray border. Intended as a catch-all tray to be used on an entryway table or bedroom vanity to hold the pocket content when returning home (vide poche in French literally to "empty pocket"), this charming decorative accessory features a magnificent black horse dressed with a colorful Middle Eastern saddle in a noble stance.
