**SIMBOLO WHITE SIDEBOARD BY GARILAB BY PITER PERBELLINI**

\$6,080

## DESCRIPTION

Used against the wall in an entryway or living room, or freestanding in a loft, the sleek and essential silhouette of this sideboard will add a distinctive accent in any interior. Raised on four squared feet, the white-finished frame is accented on the sides with a striped black-and-white pattern and is equally divided into four rectangular storage areas that can easily accommodate books, photos, decorative objects, and plants. Solidly constructed and versatile, this sideboard can be personalized upon request by adding personal words, messages or designs.
