## SIMMETRICO 8-ARM BRASS CHANDELIER

\$3,590

### DESCRIPTION

Modern and sophisticated, this chandelier is the ideal choice to make a statement in a modern dining or living room. Its natural solid brass structure comprises a central stem from which radiate eight arms. The aluminum shades are 12.5 cm long with a maximum diameter of 15 cm. Painted black with a gold interior, they can be adjusted to illuminate a specific area or various spots. It is possible to have the top bulbs on a separate circuit to separate the ambiance light. Other colors for the shades are available in stock. The length of the central stem and the sizes can be adjusted upon request.
