SINTESI TRIS RING

\$5,040

DESCRIPTION

Part of the modular collection Sintesi, this piece is made up of three different rings in 18k gold, one yellow, one pink, and one white. The three components can be showcased together, creating a delicate and precious gradient on a finger, or can be purchased and displayed separately. They are available in different finish: sanded opaque or etched opaque. The size is 12, but it can be modified upon request, please ask the Concierge for details.
