SINUOSA SILVER FOUNTAIN PEN

\$460

DESCRIPTION

Distinguished by a remarkable, silvery-white shade typical of palladium, this gorgeous fountain pen will make a precious gift idea for a beloved one. Soft and sinuous yet sharp and clean lines define its unconventional shape, crafted following new technological procedures. Fashioned of brass, it is finally soaked in palladium. Equipped with a protective cap, the top features the brand's initials engraved, completing the design. The nib measures 0.5mm.
